

Alina Lodge proudly presents the 2021 Virtual Gratitude Event

Our Annual Gratitude Picnic is always such an inspirational day filled with happy alumni, families, staff and our students who are just beginning their journey of sobriety. This year, we are unable to host this event on our campus, so we are going virtual – in a whole new way!

Can you set aside 45 minutes (or an hour at most) to join us on June 12th at 4pm? The Magic of Sobriety is our theme, and Docc Hilford will be the keynote speaker, along with messages from myself, the current students, alumni, and the staff. If you can attend, we will send an invite to attend with a special link to view the event.

All the proceeds raised from this event support the life-saving programs at Alina Lodge and Haley House. The magic happens after we plant the seeds of hope in each student/resident and they begin to believe that yes, they too can live a life in recovery. It is our hope that you will consider supporting this special event by selecting one of the options on the enclosed form. This is our major fundraiser of the year and we are asking for your help to keep providing the kind of treatment that saves lives.

We look forward to the future when we can invite everyone back to the campus to celebrate at the Gratitude Picnic. The joy of seeing alumni come back with their family and hearing about their lives is truly magical and makes us all so honored to be a part of the legacy of Alina Lodge and Haley House.

Alina Lodge is planting the seeds of hope, nurturing growth, and cultivating the change that is necessary for each student to begin a life in recovery. Please send your support and help us continue planting those seeds.

Sincerely,

William Robbins, LCSW
Executive Director
